No. G.R.69.
Karnatak Irrigation Circle,
Dharwar, 14 Mar. 1952.

To

The Chief Engineer to Government,
Public Works Department,
Bombay.

Subject:- Grant of special allowance to P.W.D. subordinates on survey and construction work.

Reference: Government letter P.W.D.No.ALS 1351 F dated 8-10-1951.

37-38

2. A statement showing the names of subordinates working on the survey work of the Ghataprabha Valley Development Scheme in the Irrigation Projects Division(South), Dharwar, is submitted herewith for favour of sanction at an early date.

3. In the Government letter under reference, sanction of special allowance is accorded to Overseers and Sub-overseers only but since the other technical staff, viz. Agricultural Surveyor and Graduate Assistants are also working in the field on the same Scheme under the same conditions, their names are also included in the statement which may kindly be approved.

4. The special allowance is sanctioned to the survey staff upto 29-2-1952 in the Government letter under reference. In this connection it may be stated that the survey work on the Ghataprabha Valley Development scheme is in progress and the circumstances under which the special allowance was sanctioned are not likely to be changed. It is, therefore, requested that the special allowance may kindly be allowed to the survey staff engaged on the above work for a further period upto 28-2-1953.

5. Since the requisite amount has been reserved from the allotment for payment of the special allowance during the current financial year, it is requested that sanction of Government for the special allowance to the staff as shown in the statement submitted herewith may kindly be communicated by wire in order to arrange for payment before the end of this month.

Secondly, the SE. has requested ~~indirectly~~ that the Agricultural Surveyors and Graduate Asstts., who are working on the scheme may also be granted the allowance. Thirdly the SE. has recommended further continuance of the orders sanctioning the allowance for the period ending the 28th Feb. 1953

2. As regards the SE.'s request

to ——

to allow the overseers and sub-overseers working on the Ghataprabha Valley Development scheme, attention is invited to Office note[x], dt. 5.10.51-N.S. & file No. ALS 1351 and G.L. at pp 37-38 C/L. The proposal made by the SE. to extend the allowance to the overseers and sub-overseers working on the Ghataprabha Valley Development scheme was also agreed to by the F.D. In the circumstances, there appears no objection to approve the SE.'s proposal. to grant the overseers and Sub-overseers mentioned in the Statement accompanying his G.L.

that the contention is not correct. It has been specifically mentioned in the G.R. that the allowance is admissible to overseers, Sub-overseers surveyors and Jr. Engrs (in rel. grid) only. In view thereof, the proposal among (Civil) Mechanical & E.D. to include the Graduate Asstts etc. will be required to be agreed to in u.o. consultation with the F.D. As the duties of the Agricultural Surveyors and Graduate Asstts are in no way less arduous than those of overseers this Deptt. may recommend the allowance to this class of subordinates as well

Finance Deptt. XI.

Submitted with ref. to the office note dated 20-6-51 and the U.S's note dated 22-6-51 thereon.

Please see the Supdtg. Engr.'s K.I.C's letter dated 8-3-52 and the foregoing P.W.D. note, dated 27.3.52. The P.W.D. has made the following proposals in these papers -

1) The Special allowance granted to overseers and Sub-overseers on survey and construction work should also be granted to the other tehcnical staff, viz. Agrl: Surveyors and Graduates Asstts. who are also working in the field on the same scheme under

under the same conditions and

2) to the further continuance upto 28-2-53 of the orders sanctioning the spl. allowance to the P.W.D. sub-ordinates working on the survey and construction work on the Ghatapratha valley Development Scheme.

As regards proposal (1) above, the P.W.D. may be requested to forward the pps. underlying its G.R. No.482/48 dated 15-4-50.

As regards proposal (2) above, it will be seen from the G.R. No.P.W.D No. ALS. 1351 dated 2-10-51 and G.L. PWD No. ALS/1351 dated 8-10-51 and the proceedings underlying these orders, that the special allowance to P.W.D. Sub-ordinates on survey and construction work was sanctioned upto 29-2-52. The sanctioned period of the orders granting or rather extending grant of survey and construction allowance to Overseers and Sub-overseers on the Ghatapratha Vally Dn. Scheme has expired on 29-2-52. In para. 2 of the Supdt. Engr.'s letter, it is stated that the Survey work on the Ghatapratha valley Development Scheme is in progress and the conditions and circumstances under which the special allowance was sanctioned have not yet changed and therefore he has requested that the grant of special allowce. to this staff may be continued for a further period of one year i.e. upto 28-2-53. The P.W.D. has supported the S.E. KIC's proposal. In the circumstances stated, this Deptt. may agree to the P.W.D. proposal at (2) above.

2. Pl. see the G.R. P.W.D. No.482/48, dated 15-4-50 and the proceeding underlying it particularly Ch. Engr's. note dated 23-3-50. After long deliberations it has been decided to continue the allowance to the categories of Govt. servants mentioned in the above G.R. working on projects specified therein. There is no improvement in the financial position prevailing in 1950. Before therefore this scope of the Spl. allowance is widened as proposed, the P.W.D. may be requested to reconsider the proposal in the light of the criterions specified in the Ch. Engr.'s note referred to above and state whether these are satisfied.

Submitted with reference to the US's marginal note dated 19-6-52.

2. It is not known from these papers why these persons viz Agricultural Survey and Graduate Assistants were excluded from the scope of the Spl allowance in the beginning & why their names are now proposed for the Spl allowance by the Supdt. Engr - i.e. the PWD may therefore be requested to clarify the above point.

Please see the following proceedings underlying the grant of Project allowance

(1) Note at p. 22 recorded by Shri Gurjar (then Secretary-I) in file No. 482/48-I

(2) Note at pp. 25-26 of file No.482/48 I.

(3) Paragraph 1(a) of the Secretary's note dated the 9th November 1949 vide p. 35 of file No.482/48-I.

and

(4) Note dated the 24th March 1950 recorded by the Secretary (p. 48 of file No.482/48 I).

From the spirit of the noting it is clear that the allowance is to be granted to Superior technical staff.

2. The Superintending Engineer, Karnatak Irrigation Circle has explained in paragraph 3 of his letter No.GR 69, P-1 dated the 8th March 1952 that the Agricultural Surveyor and Graduate Assistants are also working in the field on the Ghataprabha Valley Scheme under the same conditions. The omission of these categories at 'A' of the Deputy Secretary's note, dated the 15th March 1950 (p. 46 of file No.482/48 I) is unintentional.

3. As far as office is aware, the appointment of Agrl. graduates were made in view of the orders issued in Government Letter Public Works Department No.9928/36 XV-E(II), dated the 10th February 1949. Before proceeding with this case further, the draft put up may issue.

Subject:- Grant of special allowance to Agricultural Surveyors and Graduate Assistants.

Reference: Government Letter P.W.D.No.ALS-1351 F, dated 2-7-1952.

2. The scales of pay of Agricultural Surveyors and the Graduate Assistants are as follows:-

Agricultural Surveyors: Rs.80-5-100-8-140-E.B.-10-220-E.B.-10-270.
(vide Government Letter P.W.D.No.9928/36-E(II), dated 10-2-1949).

Graduate Assistants: Rs.80-5-100-8-140-E.B.-10-200.
(vide Government letter P.W.D.No.6919/36-E(II), dated 9-12-1949)

3. The above subordinates are performing the duties of supervision of soil classification surveys and other field work. As this work has to proceed from village to village and extends over a large area commanded by the proposed Major Irrigation Projects, they have to work continuously on out-door duties camping at out-of-the-way places. They are also required to supervise the work of collecting soil and water samples for the purpose of laboratory analysis and to manage any field work that may be required in connection with research and investigation work pertaining to the study of local soils and waters. The Graduate Assistants when not engaged on out-door work are required to do testing and analytical work in the laboratory. It is not proposed to pay the Project allowance when they are working in the Laboratory.

4. It will thus be seen that the duties assigned to the above subordinates as compared with the duties assigned to the Overseers and Surveyors in the normal P.W.D. Division are definitely more arduous. It is, therefore, recommended that the concession of special allowance may also be extended to the Agricultural Surveyors and Graduate Assistants who are working in the field on the same scheme and under the same conditions as in the case of Overseers etc., in the Irrigation Projects Division(South).

2. Please see the foregoing P.W.D. note. The P.W.D. was requested to reconsider the proposal in the light of the criteria specified in the Ch. Engr.'s note dated 23-3-50 and to state whether these are satisfied. The P.W.D. has only invited attention of this Deptt. to the letter No.GR.69 dated 19-8-52 from the S.E. K.I.C. It will be seen from the S.E. K.I.C's letter that he has proposed the allowance to the Agrl. Surveyors and Graduates Assistants because they are doing out-door duties. It does not appear from this that the criteria specified in Ch. Engr's. note referred to above are fully satisfied. The Chief Engr. then stated that the allowance might be granted where no quarters and other facilities were provided. In view of this, the P.W.D. proposal may not be considered.

The allowances as already granted may be continued for a further period ending the 28-2-53.

13/9/52

Submitted after discussion with the U.S.

2. It will be seen from para. 2 of the S.E.K.I.C's letter dt. 19-8-52 that he has recommended that the concession of special allowance should be extended to the Agricultural Surveyors and Graduates Assistants because the duties assigned to these sub-ordinates as compared with the duties assigned to the Overseers and Surveyors are definitely more ordulous. It may be pointed out that the special allowance was granted to the P.W.D. sub-ordinates on survey and construction work not merely on account of the ordulous nature of their work but for the highly technical nature of their work. The special

allowance was sanctioned because there was recruitment difficulty in getting these technical men. It is not clear whether there is any such recruitment difficulties in getting Agricultural Surveyors and Graduate Asstts. if this spl. allowance is not granted. It will be seen from the Supdtg. Eng. K.I.E.C's letter 8-3-52 that he has recommended the special allowance to the Agricultural Surveyors and Graduate Assstts. working on the survey work on the Ghataprabha Valley Development Scheme in the Irrigation Project Divisinn. It is not known, whether there are any such Agricultural Surveyors and Graduate Asstts. working on other schemes also and whether it is intended that they should also be granted the concession of spl. allowance or not. It may be pointed out that if the present proposal of the Supdtdg. Engr. K.I.E.C. is accepted, then it will have to be extended to the Agrl. Surveyors and Graudate Astts. working on other similar schemes. Before therefore, P.W.D. proposal is accepted, that Deptt. is requested to clarify the above points and give the financial effect of the proposal.

The F.D. is agreeable to extend concession regarding grant of spl. allowance to the P.W.D. Subordinates on Survey and Construction Works (G.R. No. ALS 1351, dt. 2-7-51) upto 28-2-53.

The draft put up may accordingly issue.

2. The F.D. is not still satisfied with the recommendation made by S.E., K.I.C., for the grant of spl. allowance to the Agricultural Surveyor and Asstts. employed on the survey and other field works in the K.I.C. The view taken by the Deptt. that the allowance is granted for the highly technical work is not fully correct. From the original noting, vide p.p. Nos. 25 of the File No. 482/48/Part 1, it will be seen that the allowance was granted because of the difficulty encountered by the Surveyors in going on to the Survey Works in tracts, which are not fully developed and accordingly which do not provide any amenities whatsoever. It was recommended that until such amenities as housing, water-supply and sanitation are provided, the Survey allowance should be granted and continued.

3. From the letter of the S.E., K.I.C., vide P. 55 ante, it is clear that the places at which the Surveyors and Graduate Assts. are regd. to work are out of the way places, which provide no amenities. Their case

is ....

is, therefore, on all fours with the Sub-ordinates to whom the Spl. allowance has been granted in G.R. No. 482/48, dt. 15-4-50 and extended since then. In view of this, the F.D. may be requested to re-consider its view.

4. The draft put up may first issue and the papers may then be referred u.o. to the F.D., with reference to paras. 2 and 3 above.

Submitted with reference to office note dt. 20.9.52 at p. 59 ante.

2. The P.W.D. has clarified in details the intention of its proposal for extending the Spl. allowance to the Agricultural Surveyors and Graduate Asstts, in its foregoing note dt. 13.10.52 and has requested this deptt., to reconsider the views expressed in office note dt. 20.9.52. It may however be stated that the P.W.D. has not clarified some points as at A on p. 59 ante and it has not also given any idea of the financial implications involved in the proposal under consideration. In view of the financial position of the State in which there is hardly any improvement, we may

perhaps request the P.W.D. not to pursue the point any further for the present. If approved, these papers may be returned to the P.W.D. with the above remarks.

CMB
6.11.52.

If the P.W.D. wants to pursue the matter that Deptt. may first be requested to state -

(i) whether the Agricultural Surveyors and graduate asstts. come in the category of "superior technical staff employed on survey and construction work," and, if so, why their names were omitted while issuing orders granting the special allowances;

(ii) whether, if the special allowance is now given to Agricultural Surveyors and graduate assistants, there will be demands from other Govt. servants mentioned in the list on p. 39.N. of P.W.D. File No. 482/48-I; and

(iii) what is the financial effect of granting the proposal to the allowance to all Agricultural surveyors and graduate assistants in all the projects to which the scheme of special allowances has been extended.

2. The F. D. is not, for the present, agreeable to our proposal to ~~contend~~ extend to the Agricultural ~~Survey~~ Surveyors and Graduate Asstts. in the K. I. C., the spl. allce. sanctioned in G. R. No.482/48, dt. the 15-4-50, and extended up to the 28-3-53 in G. R. No.ALS 1351, dt. the 15-10-52. The proposal is to be pursued further that Deptt. wants information on the points mentioned in that Deptt. Under Secy.'s note dt. the 17-11-52.

3. In view of the information furnished by the S. E., K. I. C., in his letters dt. the 8-3-52 and the 19-8-52, it appears that the Agricultural Surveyors and Graduate Asstts. come in the category of superior technl. staff employed on Survey and constn. work. The S. E., K. I. C., in his letter No.G 5, dt. the 27-12-49, had suggested this estabt. for the grant of spl. allce. As stated in para. 2 of the office note dt. the 1-7-52, their ommission from the categories of subordinates eligible for the spl. allce. appears to be unintentional.

4. As regards point (ii) in the F. D., Under Secy.'s note, it appears that the extension of the spl. allce. to the Agricultural Survyors and Graduate Asstts. is not likely to cause demands from the other categories of Govt. servants mentioned in the list on page 39 N/S. of file No.482/48-I as they do not fullfil the conditions for which the spl. allce. is granted.

5. Information on point (iii) will have to be obtained from the local officers.

6. In the circumstances it is for consideration whether the proposal may be pursued further or whether the F. D.'S advice may be accepted and it may be dropped for the present.

No. G.R.69

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 30th March 1953.

To

The Chief Engineer to Government,
Public Works Department, Bombay-1.

Subject:- Grant of special allowance to the Agricultural Surveyors and Graduate Assistants.

Reference: Government letter, P.W.D., No. ALS-1351-E, dated 16-1-1953 and this office letter No.G.R.69, dated the 14th March 1953.

A

2. The extra annual cost, if the special allowance is to be extended to the Agricultural Surveyors and Graduate Assistants would be Rs. 550/-. A statement showing the actual cost on account of the time spent by the Agricultural Surveyors and Graduate Accountants on survey work during the period from 15-4-1950 to 31-1-53 is submitted herewith for favour of sanction. In case the special allowance is sanctioned to the above subordinates, payment for further period spent actually by them on survey work will be made for the period the special allowance is sanctioned by Government.
